SECTION I: INSTRUCTIONS TO PROPOSERS/ GENERAL INFORMATION

A. PURPOSE.

The Arkansas Department of Community Correction (ACC) has been working with ADFA and the Arkansas Division of Building Authority (DBA) on the acquisition, renovation and equipping of existing buildings in North Little Rock. The project will also include the construction of a new building. The cost of the project is expected to not exceed $18,000,000. ADFA will own the property, lease to the DBA, who will then sublease to ACC. The team of bond professionals that is being assembled will need to assist ACC, DBA and ADFA in developing an optimal financing plan.

Currently, ACC is leasing space at various locations, with annual obligations of approximately $1,434,000. It is expected that these locations would be vacated when the proposed location is ready for occupancy. Approximately $4,265,000 of the bond proceeds would be used for acquisition immediately after closing, with the balance being used for construction and renovation over the next 18 months.

G. SELECTION PROCESS. The ADFA Staff Professional Selection Committee will review the submitted proposals. All proposing firms will be advised of the firms selected for oral interviews. After conducting oral interviews, if necessary, the Board Professional Selection Committee, in consultation with the Review Committee, will make its decision on a recommendation for selection which will be reported to the Board of Directors of the Authority at its regular meeting. The final selection will be made by a vote of Board members.
ADFA may, at any time prior to the selection of a firm or firms, reject any and all proposals and cancel this RFP, without liability therefore, upon finding that there is good cause for rejecting all proposals and that it would be in its interest to cancel the solicitation. Each proposer who submits a response does so solely at the proposer’s cost, risk and expenses. ADFA accepts no responsibility for the return of successful or unsuccessful proposals. This RFP in no way obligates ADFA to select a firm(s).
