ARKANSAS DEVELOPMENT
FINANCE AUTHORITY

HOUSING CREDIT PROGRAM

The Arkansas Development Finance Authority ("ADFA" or the "Authority") is charged with the responsibility of administering federal low-income housing tax credits ("Housing Credits") for the State of Arkansas (the "State"). ADFA is also charged with the responsibility of promulgating rules and regulations concerning the allocation of the Arkansas low-income housing tax credit (the "State Housing Credits") pursuant to Ark. Code Ann. § 26-51-1701 et seq. The Tax Reform Act of 1986 created the Housing Credit to encourage the private sector to invest in the construction and rehabilitation of rental housing for low and moderate-income individuals and families. See I.R.C. § 42. The Revenue Reconciliation Act of 1989 amended IRC § 42(m) that requires allocating agencies to allocate low income housing tax credits pursuant to a Qualified Allocation Plan ("QAP"). Housing tax credits shall be allocated in accordance with this plan and any amendments thereto and are set forth below.

I. QUALIFIED ALLOCATION PLAN.

(A) Qualified Allocation Plan ("QAP") means any plan-

(1) which sets forth selection criteria to be used to determine housing priorities of the housing credit agency which are appropriate to local conditions,

(2) which also gives preference in allocating housing credit dollar amounts among, selected projects to-

(a) projects serving the lowest income tenants,

(b) projects obligated to serve qualified tenants for the longest periods, and

(c) projects which are located in qualified census tracts (as defined in I.R.C. § 42(d)(5)(C)) and the development of which contributes to a concerted community revitalization plan, and

(3) which provides a procedure that the agency (or an agent or other private contractor of such agency) will follow in monitoring for noncompliance with the provision of this section and in notifying the Internal Revenue Service of such noncompliance which such agency becomes aware of and in monitoring for noncompliance with habitability standards through regular site visits.

(B) Certain Selection Criteria Must Be Used
The selection criteria set forth in a qualified allocation plan must include--

(1) project location,
housing needs characteristics,
(3) project characteristics, including whether the project includes the use of existing housing as part of a community revitalization plan,
(4) sponsor characteristics,
(5) tenant populations with special housing needs,
(6) public housing waiting lists,
(7) tenant populations of individuals with children,
(8) projects intended for eventual tenant ownership,
(9) the energy efficiency of the project, and
(10) the historic nature of the project.

(C) Application to Bond Financed Projects
Internal Revenue Code § 42(h)(4) shall not apply to any project unless the project satisfies the requirements for allocation of a housing credit dollar amount under the qualified allocation plan applicable to the area in which the project is located.

(D) Credit allocated to building not to exceed amount necessary to assure project feasibility--

(1) In general, the housing credit dollar amount allocated to a project shall not exceed the amount the housing credit agency determines is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the credit period.

(2) Agency evaluation--In making the determination under subparagraph (1), the housing credit agency shall consider--
(a) the sources and uses of funds and the total financing planned for the project,
(b) any proceeds or receipts expected to be generated by reason of tax benefits,
(c) the percentage of the housing credit dollar amount used for project costs other than the cost of intermediaries, and
(d) the reasonableness of the developmental and operational costs of the project.

Clause (c) shall not be applied so as to impede the development of projects in hard-to-develop areas. Such a determination shall not be construed to be a representation or warranty as to the feasibility or viability of the project.

(3) Determination made when credit amount applied for and when building placed service--
(a) In general, a determination under subparagraph (1) shall be made as of each of the following times:
(i) The application for the housing credit dollar amount.
(ii) The allocation of the housing credit dollar amount.
(iii) The date the building is placed in service.

(b) Certification as to amount of other subsidies--Prior to each determination under clause (a), the taxpayer shall certify to the housing credit agency the full extent of all Federal, State, and local subsidies which apply (or which the taxpayer expects to apply) with respect to the building.

(4) Application to bond financed projects--Internal Revenue Code § 42(h)(4)) shall not apply to any project unless the governmental unit which issued the bonds (or on behalf of which the bonds were issued) makes a determination under rules similar to the rules of subparagraphs (1) and (2).

I. MULTIFAMILY HOUSING APPLICATION ("MFHA")

The ADFA MFHA shall set forth all other requirements, instructions, clarifications and definitions for the year in which the application for LIHTC is submitted. The MFHA and all other documents necessary for a complete application are available at ADFA’s website (www.arkansas.gov/adfa). The terms and conditions of the MFHA will be incorporated into the Carryover Allocation documentation. The MFHA will be used at final cost certification to ensure continued compliance with all requirements for the development.

Any material change to the original application, and all subsequent material changes, shall be submitted to ADFA in writing at least thirty (30) days prior to the desired effective date of the change. All changes shall be reviewed and approved by ADFA’s Multifamily Housing Staff, ADFA’s Board Housing Review Committee and/or ADFA’s Board of Directors, as appropriate. Any change to the original application made without approval from ADFA will be null and void and may result in remedial action by ADFA, including but not limited to penalties on future applications or suspension from the tax credit program in Arkansas for a set period of time. A $500.00 fee per change item submitted shall be submitted to ADFA with all change requests. $500.00 shall be submitted for all such change requests, including but not limited to change in unit size, configuration, location, requests for approval of change of management company, change in development team, and transfer of ownership interest.
III. LIMITS ON ALLOCATION OF CREDITS.

The Code requires that ADFA determine “the [Housing Credit] dollar amount allocated to the development will not exceed the amount the housing credit agency determines is necessary for the financial feasibility of the development and its viability as a qualified low-income housing development throughout the credit period.” Housing Credits will be limited to the amount the Authority, in its sole discretion, deems necessary. Housing Credits are not intended to provide the primary or principal source of financing for a development, but are intended to provide financial incentives sufficient to fill “gaps” which would otherwise exist in developing affordable rental housing for low-income households.

IV. HOUSING CREDIT ALLOCATION STANDARDS.

A. Allocation Amounts

The base amount of annual credit authority is based upon population estimates released each year by the Internal Revenue Service.

The maximum amount of Housing Credits that may be reserved for allocation shall be no more than the amount permitted under Section C(29) of the Multifamily Housing Application Guidelines.

Pursuant I.R.C. § 42(d)(5)(B)(v), the Authority designates that the eligible basis of any qualified low-income new building will be increased by thirty (30%) if:

1. it is located in any low-income county designated in the currently applicable State Consolidated Plan;
2. it is funded in part by Rural Development; or
3. it is a building that ADFA determines needs the boost to be economically feasible. However, it is not available to any building that would already qualify for boost under 1, 2, or 3 above. This boost will not apply to any noncompetitive 4% application.

B. Non-Profit Set-Aside

Not less than ten percent (10%) of the Housing Credits will be set aside for developments involving any qualified non-profit organization that meets the standards set forth in I.R.C. § 42(h)(5)(C). The organization shall be a qualified non-profit organization, as defined in I.R.C. § 501(c)(3) or § 501(c)(4), which is not affiliated with or controlled by a for-profit organization and has included in its Articles of Incorporation, as one of its tax-exempt purposes, the fostering of low-income housing. The appropriate section of the Application (NON-PROFIT DETERMINATION) shall be completed and copies of the non-profit organization’s Articles of
V. ALLOCATION OF STATE HOUSING CREDITS.

Ark. Code Ann. § 26-51-1702 provides that a taxpayer owning an interest in a low-income development qualifying for Housing Credits will be eligible for State Housing Credits equal to twenty percent (20%) of the allocated federal amount. The State statute limits the allocation of State Housing Credits to $250,000 in any one taxable year. Recognizing the limited availability of the State Housing Credits and with a desire to assign those credits where they are most needed, the applicant shall demonstrate need in the MFHA. Based on demonstrated need in the MFHA, the Authority will give an allocation of State Housing Credits to those developments as prioritized below:

A. Developments receiving an allocation of Housing Credits that are to be located entirely in any one of the low-income counties designated in the State Consolidated Plan will be awarded State Housing Credits equal to twenty percent (20%) of the applicable Federal Housing Credits.

B. In the event of a shortage of eligible developments in low-income counties designated in the Consolidated Plan, priority for State Housing Credits, equal to twenty percent (20%) of the applicable Federal Housing Credits, will be awarded to those qualified developments located within Qualified Census Tracts, beginning with the highest score under the scoring system set forth in the MFHA.

C. In the event of a shortage of eligible developments in low-income counties designated in the Consolidated Plan and eligible developments located within Qualified Census Tracts, priority for State Housing Credits, equal to twenty percent (20%) of the applicable Federal Housing Credits, will be awarded to developments located within counties identified herein as not having received an award of tax credits in the previous three (3) years, beginning with the highest score under the scoring system set forth in the MFHA.

D. To the extent that there are remaining State Housing Credits, the State Housing Credits will be allocated, equal to twenty percent (20%) of the applicable Federal Housing Credits, to remaining qualified developments until such time as the available State Housing Credits are exhausted, with priority given to those developments with the highest scores under the scoring system set forth in the MFHA.

E. The Authority expects to allocate no less than ten percent (10%) of State Housing Credits to non-profit organizations.

The Authority will annually notify the Arkansas Department of Finance and Administration of those developments that have been allocated State Housing Credits. The
Arkansas Department of Finance and Administration will be notified of any revocation of State Housing Credits.

VI. ALLOCATION OF AFFORDABLE NEIGHBORHOOD HOUSING TAX CREDITS.

The Affordable Neighborhood Housing Tax Credit Act of 1997, (the "ANHTC Act"), codified at Ark. Code Ann. § 15-5-1301 et seq., provides that any business firm engaging in the provision of affordable housing assistance activities in the State of Arkansas may be entitled to receive Affordable Neighborhood Housing Tax Credits ("ANHTCs"). "Affordable housing assistance activities" is defined to include any "money, real, or personal property expended or devoted to the construction or rehabilitation of affordable housing units developed by or in conjunction with any governmental unit or not-for-profit corporation." The ANHTC Act limits the total allocation of ANHTCs to $750,000 in any taxable year.

The Authority and the Arkansas Department of Finance and Administration have determined that, in the best interest of affordable housing in Arkansas, "affordable housing assistance activities" must be devoted to those low-income housing developments which qualify for Housing Tax Credits pursuant to Section 42 of the Internal Revenue Code through the Authority's federal low-income housing tax credit or tax-exempt bond programs for residential rental housing. Thus, any business firm seeking allocation of ANHTCs must do so in conjunction with an MFHA for federal low-income housing tax credits or tax-exempt bonds to develop affordable housing units by or in conjunction with any governmental unit or not-for-profit corporation.

A proposal for ANHTCs must be submitted with the MFHA for federal low-income housing tax credits. In its MFHA for federal low-income housing tax credits, the applicant will include a commitment from each business firm providing "affordable housing assistance activities" to the proposed low-income housing development. Each such commitment must:

A. Be in writing and executed by an authorized representative of the business firm;

B. Identify the governmental unit or not-for-profit corporation to which the "affordable housing assistance activities" are committed;

C. Describe in detail the nature of the "affordable housing assistance activities" to be provided, i.e., whether money, real or personal property, and how it will be devoted to the construction or rehabilitation of affordable housing units.

The ANHTC Act limits the amount of tax credits allowable to a business firm to thirty percent (30%) of the total amount invested. If the affordable housing assistance activity is other than money, the business firm must provide an appraisal certifying the value of the property invested.
If the business firm commits its "affordable housing assistance activities" to a governmental unit, a not-for-profit organization, or a "neighborhood organization", as defined within the ANHTC Act, which is not the applicant on the MFHA, the applicant must submit with its MFHA the following from such governmental unit, not-for-profit organization or "neighborhood organization":

D. Organizational documents including: a) Arkansas Articles of Incorporation; and b) Tax Exempt Status Determination Letter from the Internal Revenue Service;

E. A written statement describing its relationship with the applicant, i.e., any ownership interest in the applicant or other relationship with the applicant;

F. A written statement describing in detail its commitment of the "affordable housing assistance activities" received from each business firm to the construction or rehabilitation of affordable housing units within the development proposed.

For each proposal of "affordable housing assistance activities" submitted with the MFHA, the applicant must certify in writing that it will expend or devote the "affordable housing assistance activities" committed to the construction or rehabilitation of affordable housing units within the development.

Based on demonstrated need in the MFHA, the Authority will give a priority allocation of ANHTCs to those developments that are in designated low-income counties under the State’s Consolidated Plan submitted to the federal Department of Housing and Urban Development. The list of these counties is contained in the MFHA. The allocation of ANHTCs will be as follows:

G. Developments receiving an allocation of federal low-income housing tax credits that are to be located in any one of the low-income counties designated in the State Consolidated Plan, beginning with the highest score under the scoring system set forth in the MFHA;

H. In the event of a shortage of eligible developments in low-income counties designated in the Consolidated Plan, priority for ANHTCs will be given to those developments within Qualified Census Tracts, beginning with the highest score under the scoring system set forth in the MFHA;

I. To the extent that there are remaining ANHTCs, the remaining ANHTCs will be allocated to remaining qualified developments until such time as exhausted, beginning with the highest score under the scoring system set forth in the MFHA.

The Authority will reserve and allocate ANHTCs in conjunction with its reservation and allocation or issuance of federal low-income housing tax credits. With its issuance of IRS Forms 8609 for federal low-income housing tax credits, the Authority will issue a Certificate of Allocation certifying the amount of ANHTCs allocated to the business firm entitled to such allocation. The Authority will annually provide the Arkansas Department of Finance and
Administration with a copy of each Certificate of Allocation for ANHTCs allocated that year. The Arkansas Department of Finance and Administration will be notified of any revocation of ANHTCs.

VII. COMPLIANCE.

Applicants shall comply with all applicable federal, state and local laws, including but not limited to Section 42 of the Code. ADFA’s Compliance Monitoring Policies and Procedures Manual for the Low-Income Housing Tax Credit Program may be obtained from ADFA’s office, and may also be accessed at ADFA’s website (www.arkansas.gov/adfa). Fair Housing manuals may be obtained from HUD’s Little Rock office, and the Fair Housing Accessibility Guidelines may be accessed at HUD’s website (www.hud.gov).

The owner will be required to prepare and submit to the Authority, no later than February 1 of each year following the first taxable year of the owner’s credit period, an Owner’s Certificate of Continuing Program Compliance which, among other certifications, certifies that for the preceding 12-month period no tenants in low-income units were evicted or had their tenancies terminated other than for good cause and that no tenants had an increase in the gross rent with respect to a low-income unit other than as permitted under Section 42 of the Internal Revenue Code. The owner will also be required to prepare and submit to the Authority, no later than February 1 of each year following the first taxable year of the owner’s credit period, the LIHTC Compliance Monitoring Status Report. Both the Certificate of Continuing Program Compliance and the LIHTC Status Report shall be submitted under penalty of perjury to the Authority in accordance with Internal Revenue Service procedures for monitoring compliance. The compliance monitoring procedures apply to all buildings placed in service in Arkansas that have received an allocation of Housing Credits as determined by Section 42 of the Code. Regular site inspections to monitor compliance with habitability standards, according to the Uniform Physical Conditions Standards established by the United States Department of Housing and Urban Development and ADFA design standards, will be carried out by the Authority at least once every three (3) years.

In the event the Authority becomes aware of non-compliance or upon the failure to submit a Certificate of Continuing Program Compliance, the Authority will notify the owner of the areas of non-compliance and the required timeframe to correct the deficiencies. There is a maximum of sixty (60) days to correct such non-compliance. Additionally, the Authority will notify the IRS, as required, of any non-compliance or failure to certify no later than forty-five (45) days after the end of the allowed time for correction.

Frequent or consistent non-compliance of Applicant or any member of the development team in regard to the operation of any development may result in points reduction in the scoring of applications and/or suspension of the Applicant or development team member from applying for tax credits for a set term of time and/or compliance with conditions set forth by ADFA. Frequent or consistent non-compliance shall be determined in the sole discretion of ADFA and will include but not be limited to reports from ADFA’s Compliance Department and IRS Form(s) 8823.
VIII. MISCELLANEOUS MATTERS.

A. Closing Requirements. The ADFA Board of Directors has delegated to the President of ADFA the authority to implement closing requirements that are financially prudent for each development awarded ADFA resources. Recipients will be notified of closing requirements as promptly as possible after notice of award(s). The standard list of information and documents required prior to closing is available on the ADFA website. The President has the authority and discretion to add, modify or waive requirements.

B. Partnership Documentation. Tax credit recipients must provide ADFA with a copy of the executed partnership agreements, including, but not limited to, the Initial Partnership Agreement, the Amended and Restated Limited Partnership Agreement or Operating Agreement promptly upon its execution.

IX. CLARIFICATIONS.

The Authority is charged with allocating no more Housing Credits to any given development than is required to make that development economically feasible. This decision shall be made solely at the discretion of the Authority, but in no way represents or warrants to any sponsor, investor, lender or anyone else that the project is, in fact, feasible or viable.

ADFA’s review of documents submitted in connection with the allocation is for its own purposes. ADFA makes no representations to the owner or anyone else as to compliance with the Code, Treasury regulations, or any other laws or regulations governing Housing Credits. The applicant and owner of the development are responsible for understanding and following all applicable tax law requirements for the development.

No director, officer, agent or employee of ADFA shall be personally liable concerning any matters arising out of, or in relation to, the award or allocation of Housing Credits, the rejection of any MFHA for housing credits, the award or lack of award of any other ADFA-administered resource whether federal or state in origin, the closing of any awarded funds or lack of closing, or the failure of a development to comply with federal, state or local laws, regulations, or other governing instruments, or the recapture of any credits or funds from any development, or the failure of any development to remain financially feasible, or the failure of any development to meet federal, state, or local deadlines.

ADFA may amend this Qualified Allocation Plan as necessary to prudently administer ADFA-administered funds or to comply with state or federal law. ADFA may adopt rules ancillary to this Qualified Allocation Plan as necessary to prudently administer ADFA-administered funds. ADFA may make any and all necessary technical changes to this Qualified Allocation Plan as circumstances may warrant. ADFA may require all things necessary or convenient to carry out its purposes, pursuant to Ark. Code Ann. § 15-5-207(b)(20)(A) and Ark. Code Ann. § 15-5-207(b)(26).
It is the policy of ADFA to prohibit applicants from contacting ADFA staff in any manner regarding any application after submission of application and during the ADFA review period, unless ADFA staff has initiated contact for clarification of material or questions pertinent to application underwriting. ADFA review period concludes when the ADFA Board of Directors approve successful applicants. Violations of this policy will be brought to the attention of the Board Housing Review Committee and could result in a downgrading of the final scoring, rejection of the application from consideration for an award of federal or state housing credits, or suspension or disqualification from the ADFA housing tax credit program.

The provision of these policies and procedures shall apply to any multifamily housing program administered or multifamily housing transaction funded by ADFA. ADFA retains the right to suspend for good cause any entity who does not exhibit the capacity to effectively administer, manage, and/or utilize resources provided by ADFA to further affordable housing in Arkansas. By action of ADFA’s Board of Directors dated August 21, 2003, the President of ADFA shall have full authority to suspend for good cause persons or organizations from participation in ADFA housing programs. Any appeal of such suspension shall be presented in writing to the ADFA President for possible consideration. The appeal shall provide written justification for the appeal request. The President of ADFA shall review the written appeal request and make a recommendation to the ADFA Board Housing Review Committee as to the merits of the justification provided in the appeal request. The decision to allow any appeal of suspension shall reside with the Board Housing Review Committee, which will set the time, date, terms, and requirements associated with any appeal process granted by the ADFA Board Housing Review Committee.

Adopted by the Board of Directors of the Arkansas Development Finance Authority on this the 21st day of November, 2019.

INTRODUCTION AND PURPOSE

The Multifamily Housing Application ("Application" or "MFHA") can be used for multiple housing funding sources available from Arkansas Development Finance Authority ("ADFA" or the "Authority"). However, the primary use is for developments applying for the Low Income Housing Tax Credit ("LIHTC" or "Housing Credit").

The Housing Credit program encourages and promotes investment in affordable rental housing for low-income households. Through these investments, the supply of cost-effective housing units is increased for low- and moderate-income households. As a true public-private partnership, the award and deployment of credit is based on ability to complete housing on time and on budget and ensures professional management for the life of the development.

ADFA is charged by the Federal Government and the State of Arkansas with the responsibility of administering the federal housing credits and the state housing credits for the State of Arkansas (the "State"). The Tax Reform Act of 1986 created the Housing Credit to encourage the private sector to invest in the construction and rehabilitation of rental housing for low- and moderate-income individuals and families. See I.R.C. § 42. The Revenue Reconciliation Act of 1989 amended I.R.C. § 42(m) that requires allocating agencies, such as ADFA, to allocate the housing credit according to I.R.C. § 42 and local needs and priorities. As such, the Housing Credit program is based on Federal regulations which supersede State regulations unless Federal Law provides ADFA the discretion to choose otherwise. As stated in the State of Arkansas’s Qualified Allocation Plan ("QAP"), the MFHA Guidelines below set forth details and regulations beyond those listed in the QAP.

Because the Housing Credit is such an important limited resource under ADFA’s stewardship, it is paramount that only the most qualified developments meeting selection criteria in the QAP and MFHA Guidelines are awarded LIHTC. Only Applications that are “shovel ready” and able to close in a relatively short time frame will be recommended for Housing Credits.

It is ADFA’s intent to work proactively in a transparent and positive manner with developers and applicants in a public-private partnership housing for the benefit of low-income households in Arkansas. ADFA will endeavor to fully deploy the annual allocation of the Arkansas Housing Credits to the most qualified developments.

1. APPLICATION DEFINITIONS, PROCEDURES, REQUIREMENTS, AND REVIEW.

A. DEFINITIONS.

"Application" or "MFHA" means a MS Excel file of the Application and all attachments and Adobe PDF scanned version of the paper Application and all attachments that ADFA will use interchangeably in reviewing, underwriting, and scoring.
“Application Deadline” means 4:30 P.M. on the 1st Monday in March.

“Application Requirement(s)” means the items listed in Section I(C) of the Guidelines that must be included in a MFHA by the Application Deadline to be considered a complete Application.

“Area of Opportunity Index” means the scoring computation for all census tracts that is intended to promote selection of developments that will create new housing supply in areas where population is growing, jobs are plentiful, and housing is comparatively scarce. See https://arcgis.is/1P890S.

“Assisted Living Housing” means a combination of housing, supportive services, personalized assistance, and health care designed to respond to the individual needs of those who need help with activities of daily living, in a way that promotes maximum independence for each resident. Supportive services are available 24 hours per day to meet scheduled and unscheduled needs of each resident. An Assisted Living development applicant shall comply with all state and federal regulations for assisted living developments. Assisted Living development applicants will be required to submit an approved Certificate of Need or Permit of Approval from the State of Arkansas with their Application.

“Credit Limit Per-Unit” means the limit on the amount of credit each unit is permitted to be allocated.

“DCR” or “Debt Coverage Ratio” means the ratio of a development’s net operating income (rental income less operating expenses and reserve payments) to total debt service obligations.

“Development Team” means the applicant, accountant, architect, attorney, developer, codeveloper, consultant, contractor, and non-profit sponsor.

“Disability” which according to Federal law (Department of Housing and Urban Development) is defined as a person with a disability as "Any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment." In general, a physical or mental impairment includes hearing, mobility and visual impairments, chronic alcoholism, chronic mental illness, AIDS, AIDS Related Complex, and mental retardation that substantially limit one or more major life activities. Major life activities include walking, talking, hearing, seeing, breathing, learning, performing manual tasks, and caring for oneself.

“Financial Feasibility” is an Application Requirement consisting of the following criteria by which an Application will be underwritten and determined to be feasible: adequate reserve funding; fifteen-year pro-forma based on operating incomes and expenses; reasonable increases in operating incomes and expenses; developer fee standard; general contractor requirements; utilization of current per-unit cost caps and meeting a minimum debt coverage ratio.
“Green Space” is defined as an open area of land or body of water that is protected through conservation or preservation for the sake of recreational, ecological, environmental, aesthetic, or agricultural interests.

“Housing Credit” means Low Income Housing Tax Credit (“LIHTC”). It is a Federal allocation to States of tax credits that are tied to a per capita amount set by Congress. The LIHTC program is governed by the IRS per Section 42 of the IRC.

“Multifamily Housing Application Guidelines” or “Guidelines” means these instructions and scoring criteria set forth below and to be considered part of the Multifamily Housing Application.

“Pedestrian Trails” are non-motorized public right-of-ways that are regularly maintained for use by bicyclists, walkers and runners for transportation and recreation. They can be pathways within an urban area or rural paths through the countryside.

“Public Transportation” means buses, trains, subways, and other forms of LOCAL transportation that charge set fares, run on fixed routes, and are available to the public.

“Qualified Allocation Plan” or “QAP” is a public document that states ADFA’s role in administering the Low Income Housing Tax Credit under IRC Section 42. The document sets priorities and criteria for using the credit along with these Multifamily Housing Guidelines.

“Review and Response Period” means the Period after ADFA staff have underwritten Applications and notified all applicants of any outstanding deficiencies. Applicants will have ten (10) business days from electronic notification to contact staff, clarify, and/or provide explanatory documentation.

“Rural Area” is:

a. Open country which is not part of or associated with an urban area.

b. Any town, village, city, or place including the immediately adjacent densely settled area, which is not part of or associated with an urban area and which:

   (i) has a population not in excess of 10,000 if it is rural in character, or
   (ii) has a population in excess of 10,000 but not in excess of 20,000 and is not contained within a Metropolitan Statistical Area, and has a serious lack of mortgage credit for low and moderate income households as determined by the Secretary of Agriculture and the Secretary of Housing and Urban Development.

“Scattered site” means development that is any low income housing development whose buildings are at least 2000 feet away from each other. The development shall be so treated if all of the units in each building in the development are designated low income housing units and all of the buildings in the development are located within one jurisdiction (i.e. city or county) with the same highest elected official.
“Supportive (Disabled) Housing” is housing intended for the use of persons with a disability as defined by federal law, which contains all the physical design, construction, and on-site service provision components adequate to meet the needs of the disabled population targeted. Any market study submitted in support of an Application for housing intended for the use of persons with disabilities shall address the housing needs of the targeted disabled population in the primary market area. The applicant shall also include a marketing plan designed to reach the targeted disabled population for which the proposed housing is to be developed. The applicant must submit its statement that the supportive services offered to the disabled population served will be optional as defined in 26 C.F.R § 4.42-11(b).

B. APPLICATION PROCESS FOR COMPETITIVE ALLOCATION.

The closing deadline for submitting an Application to ADFA for the Low-Income Housing Credit Cycle is as follows:

APPLICATION DEADLINE IS 4:30 P.M.,
THE FIRST MONDAY OF MARCH
(“Application Deadline”)

The applicant must use ADFA’s MFHA, which is available on ADFA’s website. An Adobe.PDF copy of the Application and all attachments and exhibits appropriately bookmarked must be delivered to ADFA no later than 4:30 p.m., on the Application Deadline. Two (2) items comprise the Application and are required on or before Application Deadline in order to be considered. If any of the following Application pieces are missing by the Deadline the Application will be rejected:

1) The applicant must electronically submit by the Application Deadline their MFHA as a saved MS Excel file, in the same format as the ADFA MFHA is posted, via email to:

“Multifamily.Housing@arkansas.gov”

2) The applicant shall submit an Adobe.PDF copy of the Application and all exhibits, bookmarked to ADFA on a USB flash drive on or before Application Deadline.

Applications are scored based solely upon the information and documentation submitted in the Application by the Application Deadline.

If ADFA has questions or needs clarifications on any submitted documentation, ADFA will contact the applicant via email. If contacted by ADFA, the applicant must respond within ten (10) business days or the Application will be rejected. Any additional information provided by the applicant to ADFA must be satisfactory to ADFA. A list of all ADFA requirements and explanations are provided herein.
The applicant’s response during the Review and Response Period must be electronically transmitted unless otherwise stated. If ADFA determines an applicant failed to meet the Application Requirements after the Review and Response Period, the applicant will be notified and the Application will be rejected and neither underwritten nor scored.

If ADFA has questions or needs clarification regarding discrepancies or documentation in an Application when underwriting, ADFA will contact the applicant prior to the end of the Review and Response Period on an as-needed basis.

**NOTE:** If any of the Application Requirements are not applicable, mark “N/A” on the respective tab insert and provide the reason why said item is not applicable.

During the Review and Response Period, the applicant may provide information or documentation requested by ADFA staff. During the Scoring Notification Period, the applicant will have an opportunity to submit comments by email on what the applicant considers a discrepancy in the score awarded by ADFA from the Scoring Criteria (Section II.A) based upon the Application and the information and documentation submitted by the Application Deadline.

ADFA may modify at its sole discretion the dates set forth above if necessary. All such changes shall be posted on the ADFA website, under Forms, Low Income Housing Tax Credit, or other highly visible location on the ADFA website.

C. REQUIREMENTS FOR A COMPLETE APPLICATION

The following Application Requirements (the "Requirements") must be submitted by the Application Deadline. Failure to submit these Requirements as set forth herein by the Application Deadline will terminate the Application from consideration for Housing Credits, and no score will be provided.

1. Application Fee. The Application fee check, in the correct amount as set forth herein, should be made payable to "Arkansas Development Finance Authority".

2. Financial Commitment Letters. All sources of financial commitments, including but not limited to the following, as applicable:

   a. Commitment letter from the permanent finance lender, including HOME with which the applicant has submitted an Application for financing. The letter shall be dated within six (6) months prior to the Application Deadline and state that a formal Application for permanent financing is under serious consideration. The letter must contain:

      (i) the amount of the loan;
      (ii) amortization period;
      (iii) annual loan payment; and
      (iv) interest rate.
b. A commitment letter, dated within six (6) months prior to the Application Deadline, from any syndicator or investor purchasing the Housing Credits, State Housing Credits, or Affordable Neighborhood Housing Tax Credits which will be utilized as a source of funds for the development.

(ii) Because of the limited quantity of State Housing Credits and/or Affordable Neighborhood Housing Tax Credits, any applicant requesting either credit must provide alternate financing.

(ii) The financing commitment letter for requested federal housing credits must include at a minimum the following information:

- (a) Price per credit;
- (b) Amount of credits to be acquired;
- (c) Total amount of equity to be paid to the development and the proposed schedule of equity payments;
- (d) Amount of rehabilitation expenditures per-unit required by investor or syndicator, if proposed development is seeking rehabilitation credits;
- (e) Debt coverage ratio required; and
- (f) Reserve amount required.

Applications must evidence compliance with the investor’s requirements, if stricter than ADFA’s requirement.

c. A commitment letter dated within six (6) months prior to the Application Deadline, from any other sources providing funding for the development including, but not limited to:

(i) USDA Rural Development, including RD Form 3560-7;
(ii) HUD;
(iii) Project Reserves;
(iv) Deferred Developer Fee;
(v) Owner Equity; and
(vi) HOME or a Participating Jurisdiction

ADFA may contact the applicant regarding the financial commitments and to accept, only upon ADFA’s request, supplemental or revised financial commitments.

3. Appraisal. For all Applications for new construction, a certified land appraisal must be submitted with the Application dated within one (1) year prior to the Application Deadline.

For all acquisition and rehabilitation Applications, and all rehabilitation Applications, applicants must submit an appraisal, dated within one (1) year prior to the Application Deadline, which supports the purchase price of the development.
a. The appraisal must separately identify the appraised value for the buildings in the development and the value of the land.

b. If the appraised value of the buildings is enhanced due to a federal rental subsidy attached to the buildings, the appraisal must separately identify the value of the federal rental subsidy.

In order to receive credit for the federal rental subsidy, the applicant will be required to submit a commitment letter from the federal agency stating the federal rental subsidy has been awarded to the applicant.

The purchase price must be equal to or less than the appraised value of the land and buildings.

4. Site Control Information. The applicant must have site control. Evidence of site control in one of the following forms shall be included:

i. Executed purchase option contract; or

ii. Executed long-term land lease or option on a long-term 99-year lease; or

iii. Evidence of executed assignment and assumption agreement with executed purchase option agreement, contract, or land lease agreement attached.

a. The Option, Contract, or Agreement must be in the name of an existing entity or person that is in a position of control over the applicant. The Option, Contract, or Agreement must indicate that the existing entity or person is in a position of control over the applicant, and that such entity or person has the exclusive right to purchase or lease the property for a period not to expire prior to December 6 of the year of MFHA. The option or contract cannot be subject to extension fees in order for contract to reach required expiration date.

NOTE: If one of the above applies, the applicant must also submit a copy of the recorded deed evidencing the Seller’s or Lessor’s ownership if site control is evidenced by any of the above.

b. Verification of Arm’s-Length Transactions included in Tab 6 will be signed statement from the applicant verifying this is an arm’s-length agreement. A statement in the market study or appraisal asserting the property value is based on an arm’s-length agreement WILL NOT suffice. If the seller of land or buildings included in the Application is an entity, the applicant must obtain knowledge of and disclose the identity of all members, partners, or shareholders of the entity. The applicant is responsible for obtaining the consent of the seller entity to disclose this information in the Application for Housing Credits.
For all acquisition/rehabilitation developments, the Application shall include documentation for each building claiming acquisition credits that:

i. Satisfies the "purchase requirement" of IRC Section 42(d)(2)(B)(i) (submission of Purchase Option, Contract, or Agreement);

ii. Provides the seller's certification that the 10-year hold rule in IRC Section 42(d)(2)(B)(ii) has been satisfied for each building (including both placed in service and most recent nonqualified substantial improvement), or alternatively, the applicant may provide sufficient documentation and information to support a finding that the requirement is not applicable under IRC Section 42; and

iii. Provides the applicant's certification that each building was not previously placed in service by the applicant or by any person related to the applicant in accordance with IRC Section 42(d)(2)(B)(iii).

c. The applicant must produce evidence of site ownership or a 99-year leasehold on the site at the earlier of:

i. Placement in Service Allocation; or

ii. The date the taxpayer will be required, pursuant to federal statute, to prove that its basis in the development exceeds ten percent (10%) of the reasonably expected basis in the development as of December 31, two years following reservation.

5. **Zoning and Planning Commission Information.** A signed letter, dated within six (6) months prior to the Application Deadline, from the appropriate zoning authority stating the proposed use of the property and that the property is properly zoned for such proposed use. If the development site is within the five (5) mile extra-territorial jurisdiction of a municipal planning commission, and planning commission approval is required for the development's construction, the applicant must submit written documentation that such approval has been granted by the planning commission. Planning commission approval documentation must be dated within six (6) months of the Application Deadline.

6. **Independent Market Study.** The Authority will select and commission an independent market study from a market analyst from an approved list developed by the Authority. The applicant will make payment in advance for the market study, which payment is nonrefundable. A comprehensive market feasibility study demonstrating that sufficient need for the affordable housing as proposed exists in the proposed geographic market area. The Application will be rejected if the market study fails to show need for any bedroom size proposed based upon the targeted income group for that bedroom size.

ADFA shall independently evaluate the need for additional affordable rental housing in the proposed geographic market area. If, in ADFA's sole determination, the proposed location's
market is weak, the proposed development will detrimentally affect other affordable housing in the area, the proposed location is or nearly is saturated, or other negative impact or projection, even if the proposed development is otherwise eligible and even if the market study's conclusions do not indicate any negative impact or projection.

ADFA shall have no liability for determinations of the presence or absence of a sufficient market. An award of Housing Credits by ADFA does not constitute a determination by ADFA that a sufficient market exists for the proposed units so as to provide financial feasibility. ADFA shall not be liable for any costs incurred, profits lost, or other damages that may result from ADFA's determination of market conditions, award of Housing Credits or denial of Housing Credits.

7. **Tenant Income Audit.** All Applications with rehabilitation projects shall include as an appendix to Market Study, a complete, detailed Tenant Income Audit that identifies all existing tenant households and their income. The audit must separately identify those tenant households whose income exceeds applicable income limits.

8. **Articles of Incorporation, IRS documentation, and Nonprofit Determination Statement.** To be considered for the "Nonprofit Set-Aside", the development shall involve a qualified nonprofit organization that:

   a. Owns an interest in the development;
   b. Materially participates in the development;
   c. Is not affiliated with or controlled by a for-profit organization; and
   d. Has as one of its exempt purposes, in its Articles of Incorporation, the fostering of low-income housing.

In addition, to be considered for the "Nonprofit Set-Aside":

   a. The nonprofit organization’s Articles of Incorporation and IRS documentation of its exemption from federal income tax must be included (pending requests with the IRS for exemption will not be accepted);
   b. The applicant must provide proof in the form of signed statements that all four (4) criteria listed above have been met; and
   c. The development must comply with Internal Revenue Service Revenue Procedure 96-32 in that at least seventy-five percent (75%) of the total number of residential units are designated for low-income residents.

9. **Capital Needs Assessment.** All rehabilitation developments shall include a capital needs assessment conducted by a firm on ADFA's "Capital Needs Assessment Firms – Approved List". The assessment shall include a physical inspection of the interior and exterior of each unit and structure as well as an interview with the development manager and maintenance personnel. At a minimum, the following components must be examined and analyzed in the assessment:
a. Site, including topography, drainage, pavement, curbing, sidewalks, parking, landscaping, amenities, water, sewer, storm drainage, gas and electric utility lines;
b. Structural systems, both substructure and superstructure, including exterior walls, balconies and stairways, exterior doors and windows, roofing system and drainage, including but not limited to termite, mold, and water damage;
c. Interiors, including unit and common area finishes (carpeting, vinyl flooring, tile flooring, plaster walls, paint condition, etc.), unit kitchen finishes, cabinets and appliances, unit bathroom finishes and fixtures, and common area lobbies and corridors;
d. Mechanical systems, including plumbing and domestic hot water, HVAC, electrical, lighting fixtures, fire protection, and elevators; and
e. Buildings, facilities, common use areas, residential units, parking areas, curbs, ramps, and railings to ensure compliance with applicable federal, state, and local laws regarding accessibility for persons with disabilities.

A report, dated within six (6) months prior to the Application Deadline, of all components examined and analyzed in the assessment must be submitted with the Application.

The report must include a physical inspection of the interior and exterior of EACH UNIT AND EACH BUILDING and must specifically identify the scope of work and estimated costs necessary to:

a. Rehabilitate all components examined and analyzed in the development to a new or "like-new" condition;
b. Correct all deficiencies in order for the development to comply with applicable federal, state, and local laws and requirements regarding accessibility for persons with disabilities; and
c. Correct all deficiencies to ensure compliance with ADFA's Multifamily Minimum Design Standards.

Failure by the report to meet the requirements set forth herein will result in a rejection of the Capital Needs Assessment submitted, thereby terminating the Application from further consideration for Housing Credits.

All rehabilitation development applicants must submit a statement that the scope of rehabilitation will include all capital needs of the development as set forth in the Capital Needs Assessment.

10. **Financial Feasibility.** All Applications through the competitive allocation cycle will be underwritten using the same criteria regardless of project type or location. At a minimum ADFA determines that a development is financially feasible based on the following criteria: a) the extent to which the development’s sources of funds equals the development’s uses of funds; b) the extent to which any proposed developer fee deferral can be paid within the time frame allowed by the Internal Revenue Service; c) the reasonableness of total development costs, inclusive of ADFA
predetermined cost caps; and d) repayment terms (including interest rates, total debt and loan terms) for all proposed debt in connection with the proposed development.

ADFA may incorporate terms and conditions required by the equity investor(s) and lender(s) into its underwriting of an Application if ADFA determines it necessary to provide an accurate, complete analysis of the financial feasibility of a proposed development.

**Operating Deficit Reserve and Replacement Reserve Funds.** The total development budget shall include:

a. **Operating Deficit Reserve Fund** equal to the greater of:
   For all rehabilitation developments that do not receive 100% project based rental assistance and all new construction developments:
   (i) Six (6) months of: (a) projected annual operating expenses, (b) annual debt service payments, and (c) annual replacement reserve deposits;
   OR
   (ii) The amount of operating reserves required by the applicant’s equity investor(s) or lender(s).

   For all rehabilitation developments that receive or will receive 100% project based rental assistance:
   (i) Three (3) months of: (a) projected annual operating expenses, (b) annual debt service payments, and (c) annual replacement reserve deposits;
   (ii) The amount of operating reserves required by the applicant’s equity investor(s) or lender(s), and

b. The funding and maintenance of a **Replacement Reserve Fund** equal to the greater of:
   (i) $250.00 per unit per year;
   OR
   (ii) The amount of replacement reserves required by the applicant’s equity investor(s) or lender(s).

The operating and replacement reserve accounts shall be incorporated into the MFHA. These amounts must be funded by the date the development is placed in service and evidenced in the final cost certification.

The Replacement Reserve shall be maintained, and yearly deposits shall be made equal to the above requirement, for the entirety of the affordability period. The applicant shall
identify the name of the financial institution where each reserve will be held. A copy of the December bank statement for the Operating Reserve account and the Replacement Reserve account must be submitted by the Owner to ADFA’s Compliance Department by February 1 of each year. If the December bank statements do not evidence a year-end summary of each month’s balance, copies of bank statements for all twelve (12) months for the Operating Reserve and the Replacement Reserve shall be submitted to ADFA’s Compliance Department by February 1 of each year. The ending balance of each reserve account must total the amounts required under (a) and (b) above, whether the accounts are replenished from operating income or by the general partner of owner or member, shareholder or partner of general partner, as deemed appropriate by ADFA.

ALL WITHDRAWALS FROM THE OPERATING DEFICIT RESERVES MUST BE APPROVED, IN WRITING, BY ADFA PRIOR TO WITHDRAWAL. Owner must submit with the withdrawal request supporting documentation evidencing the need for the funds, written evidence that insufficient funds exist in the primary operating account, and a written guaranty by the general partner of owner or member, shareholder or partner of general partner, as deemed appropriate by ADFA, will deposit sufficient funds into the Operating Deficit Reserve account so that at the end of the year the total funds in the Operating Deficit Reserve account equal the amount required under (a) as modified herein for Rural Development developments. ADFA will require notification from owner on any Replacement Reserve withdrawal and notice of approval from development’s lender or investor as applicable.

Rural Development-funded developments:

In the event that Rural Development (“RD”) requires initial operating capital in an amount greater than ADFA’s Operating Deficit Reserve, ADFA’s required Operating Deficit Reserve under (a) above must be funded. In the event that RD requires initial operating capital in an amount less than ADFA’s Operating Deficit Reserve required under (a) above, ADFA will credit the amount of reserves required by Rural Development to the total amount of reserves required under (a) and (b) above, but in no event shall the total amount of reserves be less than that required under (a) above. (For example, if under (a) $50,000 is required and under (b), $10,000, and Rural Development requires $20,000 of initial operating capital, the owner must fund a separate Operating Deficit Reserve account, withdrawals from which must be approved by ADFA, in the amount of $30,000. Using the same amounts except that RD requires a $70,000 initial operating capital, the owner must fund a separate $50,000 Operating Deficit Reserve.)

A copy of the December bank statement for the Operating Reserve account and the Replacement Reserve account must be submitted by the Owner to ADFA’s Compliance Department by February 1 of each year. If the December bank statements do not evidence a year-end summary of each month’s balance, copies of bank statements for all twelve (12) months, for the Operating Reserve and the Replacement Reserve, shall be submitted to ADFA by February 1 of each year. The ending balance of the Operating Deficit Reserve account plus the development’s ending cash balance per RD Form 3560-7, plus the balance of RD’s initial operating capital reserve must total the amounts required under (a) and (b); thus, general partner of owner or member,
shareholder, or partner of general partner of owner may have to deposit funds into the separate Operating Deficit Reserve account to total this amount.

ADFA acknowledges that RD shall have authority over the initial operating capital reserve account and that RD will review and approve or deny all withdrawal requests by owner from such account. ADFA shall have approval authority over the separate Operating Deficit Reserve account. Owner shall not make any withdrawals from the Operating Deficit Reserve account without providing the following items to ADFA: 1) supporting documentation evidencing the need for the funds, 2) written evidence from RD that the use of reserve funds is not an eligible expense from RD initial operating capital reserve account or that insufficient funds exist in the account, and 3) a written guaranty by the owner or general partner of owner, as deemed appropriate by ADFA, that sufficient funds will be deposited into the ADFA Operating Deficit Reserve account so that at the end of the year the total funds in the Operating Deficit Reserve account equal the amount required under (a) as modified herein for Rural Development developments.

**Pro Forma.** Each Application must complete the Pro Forma document set forth in or as an exhibit to the MFHA. The pro forma for all applicants must be based on reasonable projections of increases in expenses and incomes.

**NOTE:** Provide an additional pro forma and alternative list of sources if applying for State Housing Credits showing the alternative financing proposed.

**Developer Fee.**

a. Developer Fee Standard. The developer’s fee, which is defined to include the developer fee plus developer’s overhead and profit plus consultant’s fee, plus any interest payable on a deferred fee must meet the following standard:

The developer fee cannot exceed fifteen percent (15%) of the "Net Development Costs".

"Net Development Costs" is defined as the total uses of funds, less syndication-related costs, developer’s fee and development reserves.

For purposes of applying the developer’s fee to eligible basis, eligible basis must be proportioned separately reflecting that amount of the developer’s fee attributed to the acquisition of existing property from that amount attributed to the rehabilitation costs. The amount attributed to the acquisition of existing property must be equal to or greater than the percentage that the total acquisition costs of existing property is to the total development costs.
The applicant must disclose in its Application or an attachment thereto all persons and entities that will receive any portion of the developer fee proposed in the Application. For all such entities, all members, partners, and shareholders of such entities shall be disclosed and the respective portion of the amount of developer fee to be received by the entities shall be identified. If after time of Application, there is any proposed change in the person(s) or entity/entities that shall receive any portion of the developer fee, all revised parties and amounts must be disclosed in writing to ADFA.

b. Developer Fee – Deferral. Any portion of the developer’s fee that is deferred and included as a source of funds will be underwritten to ensure payment by the earlier of the end of the 15-year compliance period or the time frame required by the Applicant’s equity investor or lender(s).

For multifamily bond applications, eligible basis will be reduced by that amount of deferred developer fee that is not payable within the 15-year compliance period.

**General Requirements, Contractor’s Overhead, and Contractor’s Profit.** The amount allocated to General Requirements of the development cannot exceed seven percent (7%) of its construction hard costs. General requirements include items that are required for the contractor to provide for the specific project including, but are not limited to, the following: Field supervision; field engineering such as field office, sheds, toilets, and phone; performance and payment or latent defects bonds; building permits; site security; temporary utilities; property insurance; and cleaning or rubbish removal. Such items should not be accounted for as separate line items in the development budget.

ADFA will limit the Contractor’s Overhead to four percent (4%) of the development’s construction hard costs plus its general requirements’ costs. ADFA will limit the contractor’s profit to ten percent (10%) of the development’s hard costs plus its general requirements’ costs. ADFA may determine whether costs included in the contractor’s overhead and contractor’s profit calculations are appropriate and reasonable.

The applicant must disclose in its Application or an attachment thereto all persons and entities, whether or not affiliated with the applicant that will receive any portion of the contractor’s profit proposed in the Application. For all such entities, all members, partners and shareholders of such entities shall be disclosed and the respective portion of the amount of contractor’s profit to be received by the entities shall be identified. If after time of Application, there is any proposed change in the person(s) or entity/entities that shall receive any portion of the contractor’s profit, all revised parties and amounts must be disclosed in writing to ADFA.

**Per-unit Credit Limit.** ADFA shall limit the amount of credits allocated to each unit to the following:
<table>
<thead>
<tr>
<th>Single-Family Detached</th>
<th>Credit Limit Per-Unit</th>
<th>All other New Construction</th>
<th>Credit Limit Per-Unit</th>
<th>Acquisition / Rehabilitation</th>
<th>Credit Limit Per-Unit</th>

ADFA shall have the discretion to determine reasonableness of all costs stated in the proposed development budget regardless of whether the costs per-unit comply with the maximum costs per-unit limitation set forth above. ADFA may deny Applications based upon the unreasonableness of costs, regardless of whether the costs per-unit complies with the maximum costs per-unit limitation set forth above. Upon request by ADFA staff, applicants may provide justification and supporting documentation of costs. ADFA will review the items submitted and make a final determination. ADFA’s determination will be set forth in writing as to whether the Application will be further considered or rejected.

**Minimum Debt Coverage Ratio.** The development will be required to establish a minimum debt coverage ratio that is the greater of: (1) 1.15 or (2) the minimum debt coverage ratio required by any lender or investor providing a financial commitment to the applicant.

**Rural Development ("RD") developments shall use the income, expenses and reserves as approved in the most recently executed Form 3560-7.** The applicable minimum debt coverage ratio must be evidenced by the MFHA and supporting documentation.

A development’s DCR may not be projected to be below the DCR required herein at any time during the compliance period. If the Application or ADFA’s underwriting evidences that the development will fail to meet the requisite DCR at any time during the compliance period, the Application will be rejected from further consideration for an allocation of Housing Credits.

After a development is placed in service, the DCR will be monitored by ADFA’s Compliance Department and/or ADFA’s Multifamily Programs Department.

11. **Rehabilitation Standard.** Rehabilitation hard costs (labor and materials) on any rehabilitation development will be no less than $15,000 per-unit and no less than twenty percent (20%) of the development’s total costs.

Developments financed with 4% LIHTC / Tax-exempt bonds: Applicants for tax-exempt bond financing subject to private activity volume cap MUST elect to meet the Rehabilitation Standard set forth above.

12. **Rental Assistance Contract.** All applicants proposing a development that has been approved for project-based rental assistance shall submit with its Application a copy of the
executed rental assistance contract and if applicable Form RD 3560-7 or HUD-92458; if a rental assistance contract has not been executed at time of Application submission, a commitment letter from the agency providing the rental assistance must be submitted. All such applicants must also submit documentation, if not set forth in the rental assistance contract or the commitment letter, or the most recently approved amount of rent to be charged. If an Application proposing a development represented to have project-based rental assistance does not submit this required information and complete all portions of the Application relevant to project-based rental assistance, ADFA will underwrite on the assumption of no rental assistance. If such underwriting results in a determination that the development is not financially feasible, the Application will be rejected from further consideration for an allocation of Housing Credits.

HUD Section 8 Supported Developments: In the event that the Department of Housing and Urban Development ("HUD") anticipates granting a waiver, or other process whereby HUD has agreed to underwrite an existing HUD-assisted development based on rents and rental assistance it has agreed to provide after rehabilitation, ADFA may also underwrite such proposed developments based upon such rent and rental assistance if substantiated by a letter from HUD and supported by the market study and/or appraisal. It is within ADFA’s sole discretion, on an Application-by-Application basis, to determine whether utilization of such future rents and rental assistance in its underwriting is reasonable and appropriate.

Any award of Housing Credits under such circumstance is conditioned upon the development obtaining the waiver or approval. If the waiver or approval is not obtained by the carryover allocation Application Deadline, ADFA may terminate the Housing Credit award and no carryover allocation will be issued by ADFA for the development.

13. Fair Housing Training. The applicant must include with its Application a certification evidencing completion of five (5) hours of fair housing training by a principal of the following members of the development team, or manager dealing with day-to-day operations, as appropriate under the circumstances: (a) Owner; (b) Developer; (c) Management Company; (d) Consultant, if applicable; and (e) Architect. Failure to submit the requisite evidence of completion by all required development team members shall result in rejection of the Application from consideration for an allocation of Housing Credits. A certification is valid for the purpose herein for two (2) years from date of certification. Each development team member should attend the class most relevant to his or her development team role.

14. Identification of Applicant. The applicant must identify within its Application the General Partner and Limited Partner(s), or all members as applicable, of the applicant entity. The applicant must also identify all members, partners, or shareholders of the General Partner; if any such members, partners, or shareholders are entities, the applicant must identify all members, partners, or shareholders of such entities.

15. Assisted Living Developments. Assisted Living development applicants shall submit an approved Certificate of Need or Permit of Approval from the State of Arkansas. See definition of "Assisted Living" herein Section I(A).
All assisted living development Applications must submit the following representations from the applicant:

a. All low-income housing units within the assisted living development contain separate and complete facilities for living, sleeping, eating, cooking, and sanitation (See 26 C.F.R. § 1.103-8(b)(8));
b. All low-income housing units within the assisted living development are available for use by the general public (See 26 C.F.R. § 1.42-9);
c. Supportive services available to tenants in low-income housing units within the assisted living development are optional (See 26 C.F.R. §1.42-11); and
d. Supportive services available for tenants in low-income housing units within the assisted living development do not include continual or frequent nursing, medical, or psychiatric services (See 26 C.F.R. §1.42-11 and IRS Revenue Ruling 98-47).

16. **Narrative Description of the Development.** A detailed narrative description of the development that includes the type of development; geographical description of the development site and surrounding area; types of financing; tenants served; bedroom mix; percentage of low-income units; involvement of nonprofit support service organizations; amenities for the development; energy efficiency; rehabilitation work to be performed, if applicable; and any other relevant descriptive information.

17. **Letter to Public Housing Authority (“PHA”) for use by Persons on Waiting List.** The applicant shall provide written documentation to the local PHA of its intent to develop a low-income multifamily rental development. The notice shall provide the PHA with:

a. A copy of the Narrative description set forth above;
b. The development’s proposed address/location; and
c. A description of the number, type, income limits, and unit mix (by bedroom size and anticipated rents).

The applicant must submit a copy of the above notice with its Application to ADFA.

18. **Utility Allowance Calculation.** Pursuant to 26 CFR § 1.42-10, documentation of utility calculations from one of the following entities shall be included:

a. Local Public Housing Authority, unless the applicant is a Housing Authority, or affiliated therewith, then it must be from an unrelated third party;
b. HUD Utility Schedule Model;
c. RD;
d. Utility company; or
e. Energy Consumption Model study.
**NOTE: If applying for HOME.** Effective January 2015, the applicant must use the HUD Utility Schedule Model or otherwise determine the utility allowance for the project based on the type of utilities used at the development.

The applicant must submit written documentation from the utility allowance entity selected which clearly marks the allowance for each type utility usage applicable for each type of unit to be constructed or rehabilitated. The supporting documentation must be signed and dated by an authorized representative of the utility allowance entity.

The utility allowance documentation must be dated within six (6) months prior to the Application Deadline, unless the Application is for acquisition/rehabilitation of a HUD or RD development, then the current executed HUD or RD rent schedule forms are acceptable.

19. [Reserved]

20. **Letter of Participation and Resume of Development Team Members.** Each development team member shall submit:

   a. A cover letter describing its participation in the development along with a copy of its resume listing qualifications, experience, previous experience with the low-income housing tax credit program, address, telephone number, and email address.
   b. The General Contractor/Builder, Architect, and Engineer must be licensed to conduct business in Arkansas and a copy of such licenses must be submitted with the Application.
   c. Certification of Good Standing from the Arkansas Secretary of State for the applicant, developer, and management company.

It is within ADFA’s sole discretion to evaluate the capacity of any development team member to undertake performance on any development. A determination by ADFA that any development team member does not have the capacity to undertake performance on any development may result in a disqualification of the Application.

Any development team member, including the applicant, consultant, management agent, or developer may be considered ineligible for an award of Housing Credits in scenarios whereby the documentation supports instances of nonperformance. Instances of poor or nonperformance may occur during construction, lease up, the Compliance Period, or the Extended Use Period. Below is a list of some possible performance issues. This is not an exclusive list.

   a. Failure to meet and maintain minimum property standards;
   b. Failure to meet and maintain any material aspect of a development as represented in an Application;
   c. Excessive late or incomplete reports to ADFA;
   d. Failure to obtain prior approvals from ADFA;
e. Having been involved in uncured financing defaults, foreclosures, or placement on HUD’s list of debarred contractors;

f. Events of material uncorrected noncompliance with any Federal or State assisted housing programs within the prior seven (7) year period;

g. Failure to comply with ADFA’s request for information or documentation on any development funded or administered by ADFA; or

h. Removal as a general partner.

21. **Statement of Previous Performance.** Utilizing the Criminal Background and Disclosure Form – Housing, Attachment A, the applicant, its consultant, and each development team member shall inform ADFA whether or not it has any existing contract or indebtedness with ADFA and identify any prior or currently delinquent, defaulted, or foreclosed upon contract, loan or other indebtedness of the applicant, consultant, or development team member with ADFA, or any judgments, proceedings or investigations or any pending or threatened litigation.

In addition, ADFA will review the previous performance of the applicant, its consultant and each development team member under all affordable housing programs with ADFA or other State Housing Finance Authorities, including the HOME Program, the Housing Credit program, Tax-Exempt Bond program, and any other affordable housing loan program, including disbursements, payment history, compliance history, and any findings. Unsatisfactory performance, as determined by ADFA's Staff Housing Review Committee, on previous developments or delinquencies in payments will result in disqualification of an Application by the ADFA Staff Housing Review Committee, regardless of scoring.

22. **Criminal Background and Disclosure.** Each applicant, developer, consultant, and other development team member on the Application, and all principals of development team members as well as any public official affiliated with a Housing Credit, Housing Credit/HOME or bond program Application, shall complete a Criminal Background and Disclosure Form – Housing, Attachment A to the Application.

Failure to submit, or correctly complete the Criminal Background and Disclosure Form – Housing by each applicant, developer, consultant and development team member on the Application or affiliated public official on a HOME program Application may disqualify the Application for reservation of Housing Credits, Tax-Exempt Bonds utilizing Private Activity Volume Cap (“Bonds”), HOME funds, or other ADFA Housing resources.

Each applicant or recipient of Housing Credits, Bonds, or HOME funds or other ADFA housing resources and any principal of such applicant or recipient, is subject to ADFA’s Criminal Background Check Policies and Procedures and their requirements. Each consultant, developer, or other development team member or any principal of such consultant, developer, or other development team member, is subject to ADFA’s Criminal Background Check Policies and Procedures and their requirements.

ADFA shall determine whether the criminal background of an applicant, developer, consultant, or other Development Team member or of a partner, member, or shareholder of the applicant, developer, consultant, or other development team member disqualifies such person(s)
or entity or entities. If such person(s) or entity or entities are determined to be disqualified to participate on the development team of the proposed development, the Application may be rejected from further consideration for Housing Credits, which may necessarily result in rejection from further consideration for other ADFA resources. ADFA may allow the applicant to provide, after notice of such determination to the applicant, a replacement development team member subject to approval of such replacement member by ADFA.

ADFA may disqualify an Application based upon the Criminal Background and Disclosure.

23. Environmental Checklist. The Environmental Checklist included in the Application as Attachment B must be completed, signed, and dated.

24. Conflict of Interest Acknowledgment and Contract and Grant Disclosure and Certification Form. Each member of the development team as listed in the Development Team tab of the MFHA must complete the "Conflict of Interest Acknowledgment" and "Contract and Grant Disclosure and Certification Form", which will be available on ADFA's website as an attachment to the MFHA.

25. Attachment C – Identity of Interest. As appropriate for each entity listed on the Development list and the Limited Partnership, prepare an organizational chart for each member of the Development Team listing the entity, and all applicable stockholders, directors, officers, members, managers, trusts, trustees, etc. including full names and addresses and percentage of ownership and voting rights. If a sole proprietorship, state the same. Reference Attachment C as an example.

26. Site Plan, ALTA/NSPS Survey, and Topographic Survey. A site plan depicting the location and orientation of each existing or proposed building and all paved areas throughout the development site, including sidewalks and parking areas.

An ALTA/NSPS survey and topographic survey of the proposed development site signed and dated within six (6) months of the Application Deadline by a person authorized to perform such surveys by the Arkansas State Board of Licensure for Professional Engineers and Professional Surveyors.

27. Tax Abatement. ADFA will not consider the effect of lowered, abated, or deferred real estate taxes in its underwriting of the proposed development unless documentary evidence of the development’s entitlement to tax abatement, reduction, or deferral is submitted by the applicant with its Application.

28. Attachment G. Multifamily Housing Minimum Design Standards: Construction of the development must be in accordance with ADFA’s "Multifamily Housing Minimum Design Standards", as well as all applicable local, state, and national building codes. The applicant's architect must complete and execute the "Multifamily Housing Minimum Design Standards Checklist", Attachment G of the MFHA. The applicant must certify that all features, standards, and specifications acknowledged in Attachment G, certified by the architect, will be incorporated and complied with in the construction or rehabilitation of the proposed development. The general
contractor must execute an acknowledgment of Attachment G before a Notice to Proceed will be issued.

For rehabilitation developments: If structural constraints prohibit adherence to ADFA’s "Multifamily Housing Minimum Design Standards", the applicant may seek a waiver from ADFA for the standard concerned. Such waiver request must be in writing, must be included with the Application (separate from Attachment G), but Attachment G must evidence the waiver request, and include the following:

a. Certification by the design architect or licensed engineer that the standard concerned cannot be met due to structural constraints and a description of the structural constraint;

b. Description of alternative design which will achieve the benefit of the required standard; or certification by the design architect or licensed engineer that no alternative design can be undertaken to achieve the benefit of the required standard due to structural constraints; and

c. Statement by applicant that it will implement any alternative identified by the design architect or licensed engineer.

A certification from the design architect or licensed engineer will be required to be submitted confirming compliance with ADFA’s "Multifamily Housing Minimum Design Standards", as amended for the development by any approved waivers, prior to the issuance of IRS Form 8609.

29. Allocated Credit Limitation for Competitive Round. A Development Team member, whether an individual or entity, may not have an economic interest, as defined below, in more than 30% of the total amount of 9% Housing Credits that ADFA has available for allocation in that given year. The ADFA Board of Directors shall have the sole discretion to limit the number of developments under development at any one time by any developer or owner.

This section is not intended to prohibit any independent third-party professionals from rendering services on behalf of multiple proposed developments. However, this section will apply to such service provider if the service provider has an economic interest as defined below in addition to its provision of services to the proposed development.

ADFA may determine when this rule regarding economic interest should apply in circumstances other than those specifically referenced above. In addition to the Allocated Credit Limitation for any Development Team member among which ADFA determines an economic interest exists, ADFA may impose special conditions and limitations upon Applications, applicants and development team members.

The applicant must identify all members, partners and shareholders of the applicant, contractor, architect, management company, consultant, and developer of the proposed development. If any such identified members, partners or shareholders are entities, then all
members, partners, and shareholders of such entities must be identified. All development team members must be identified at time of Application.

No changes can be made in the composition of the development team without ADFA's written approval. The applicant must identify to ADFA all members, partners, and shareholders of the proposed replacement member. If any such identified members, partners, or shareholders are entities, all members, partners, and shareholders of such entities must be identified. All policies regarding economic interest shall be applicable to the proposed replacement member. If the proposed replacement would cause a development team member or related person or entity to violate the Allocated Credit Limitation, such proposed replacement will be denied, or if the economic interest becomes known to ADFA at a later time, ADFA may terminate the reservation, terminate the carryover allocation, deny issuance of credits via IRS Form(s) 8609, suspend all responsible persons and entities from the Housing Credit Program for a period of time determined by the ADFA Board of Directors, or take other action reasonable under the circumstances as determined by ADFA.

An economic interest exists in the context of an Application and development when:

a. There is any financial interest in the development, including but not limited to the lending of funds to a development team member or the owner of the development for the construction or operation of the development, the guaranteeing of a note on behalf of a development team member or owner of the development, or the making of any other guarantee that is contingent upon the construction or performance of the development; and/or

b. A development team member also has an economic interest in a development if the ownership entity or any portion thereof should be stated on the financial statements of the development team member or related entity according to Generally Accepted Accounting Standards.

Economic interest shall not include a contractual relationship whereby a development team member provides services that are within its ordinary course of business and receives reasonable payment for such services. For example, an architect contracting with a development owner to prepare plans for the rehabilitation of a development in exchange for a contractual sum shall not constitute an economic interest. Or, for example, an independent contractor providing a payment or performance bond or guarantee and warranty pertaining to their construction work and budget as outlined in an AIA A series contract shall not constitute an economic interest.

For the purposes stated herein, "development team member" shall include but not be limited to all persons and entities stated in the Application as members of the development team.

The applicant must disclose all identities of interest that exist among all persons or entities acting as a development team member, whether or not expressly named as a development team member.
The applicant shall include with its Application a verified statement from all development team members in which each discloses all economic interests in the development. ADFA may deem a person or entity as a development team member if ADFA reasonably determines that such person or entity is acting as a development team member.

30. **Multiple Phase Developments.** ADFA will typically not consider for an award of Housing Credits an Application for a proposed development that is a phase of another proposed development for which an Application has been submitted in the same funding cycle. However, ADFA and Board will consider waiver requests on a case-by-case basis for rehabilitation developments that would require a multi-phase development in a single funding round. **Waiver requests must be submitted to ADFA staff and heard by the ADFA Board prior to the Application submission deadline.**

A senior development located, or proposed to be located, adjacent to a family development, or proposed development, shall not be considered phases of the same development.
II. PROCEDURES FOR AWARDING POINTS AND RANKING APPLICATIONS

A. POINTS CRITERIA

Each Application will be awarded or penalized points based upon the Points Criteria outlined below.

**Points Criteria**

The applicant must submit a statement:

1. Describing the design and construction of the development that will meet the needs of the disabled population served;
2. Describing the on-site support services that will meet the needs of the disabled population served; and
3. Stating the supportive services will be optional to the disabled population served (see 26 C.F.R. §1.42-11(b))
The proposed service provider must submit a statement describing:

1. The disabled population to be served;
2. The needs of the disabled population to be served; and
3. The service to be provided to the disabled population served, including the frequency of provision

8 **Rental Rate Impact of Tax Credits**
Proposed development will be awarded one (1) point for each percentage advantage of net LIHTC rents below the allowable rents for a 60% AMI unit of comparable multifamily rental developments in the area.

The percentage advantage will be calculated by the average percentage below the maximum allowable rents for a 60% AMI unit for each type of unit (*i.e. one bedroom and two bedroom units*) in the development.

Net LIHTC Rents, as evidenced by the MFHA, will be allowed to increase at a rate of 2.75% per year for 15-year credit period. In no instance shall the rents exceed those required by I.R.C. § 42 or 24 C.F.R. § 92, if applicable.

Percentage Advantage will be calculated using the following formula for ADFA’s underwriting purposes:

\[
\text{Percentage Advantage} = 1.000 \times \left(1 - \frac{\text{Proposed LIHTC Rent}}{\text{60\% AMI Rent Limit}}\right)
\]

The overall Percentage Advantage will be calculated using a weighted average of the Percentage Advantage for each type of unit.

</tbody>
</table>

1-Bedroom Advantage: \(1.000 - \frac{511}{525}\)
\[= 1.000 - 0.9733\]
\[= 0.0267\text{ or } 2.67\%\]

In this example, the net LIHTC rents for the 1-bedroom units have a 2.67% advantage to that of Fair Market Rents.

2-Bedroom Advantage: \(1.000 - \frac{527}{632}\)
\[= 1.000 - 0.8338\]
\[= 0.1662\text{ or } 16.62\%\]

In this example, the net LIHTC rents for the 2-bedroom units have a 16.74% advantage to that of Fair Market Rents.
3-Bedroom Advantage: 1.000-(699/772)  
= 1.000-0.9054  
= 0.0946 or 9.46%

In this example, the net LIHTC rents for the 3-bedroom units have a 9.46% advantage to that of 60% AMI Rents.

The composite Percentage Advantage will be calculated as follows:

The development has forty-one (41) total units, consisting of seventeen (17) 1-bedroom units, thirteen (13) 2-bedroom units, and eleven (11) 3-bedroom units. One-bedroom units are 41.46% of the total number of units. Two-bedroom units are 31.71% of the total number of units. Three-bedroom units are 26.83% of the total number of units.

1-Bedroom Weighted LIHTC Advantage: 2.67% x 41.46%  
= 1.10%

2-Bedroom Weighted LIHTC Advantage: 16.62% x 31.71%  
= 5.27%

3-Bedroom Weighted LIHTC Advantage: 9.46% x 26.83%  
= 2.53%

Composite LIHTC Advantage: 1.10%+5.27%+2.53%  
= 8.90%

This example results in an award of 9 points for the Rental Rate Impact of Tax Credits.

9 Site Selection
The site location will be evaluated for accessibility and proximity to services appropriate to the type of housing proposed (i.e. grocery stores, schools, medical facilities, public parks, and public transportation).

The Application shall identify the name, driving directions, and distance from the development to the site amenities listed below.

Two (2) points will be given for the following site amenities located within three (3) miles of the site. Site amenities must be appropriate for the population served. Distances will be measured by the shortest available driving distance from the development’s address to the applicable address of the site amenity as calculated by Google Maps. Points will ONLY be given for the site amenities listed below:
a. Grocery Store or Supermarket;
b. Pharmacy or Drug Store;
c. School, daycare or education center (*cannot be awarded if 100% elderly only property*);
d. Public Park or Green Space, as defined in Section I(A) (does NOT include school grounds);
e. Book lending public library;
f. Daily operated senior center or facility offering daily services for seniors (*can be awarded only if 100% elderly property*);
g. Hospital, health clinic, or medical doctor’s office (medical doctor’s office must have a general practitioner.);
h. Public transportation; and
i. Access to designated pedestrian trails.

**NOTE:** Site amenities presented for scoring shall be referenced in the Market Study map (Market Study Guidelines Section V.B.). All site amenities presented for scoring must list a contact person and a verifiable phone number in the Application.

---

Points will be **deducted** for site selection. There is **not a limit** on the total number of points that can be deducted.

**Three (3) points** will be deducted if any of the following incompatible uses are adjacent to the site (adjacent is defined as nearby, but not necessarily touching).

**Two (2) Points** will be deducted if any of the following incompatible uses are within 0.3 miles (approximately 500 yards) of the site. Distances are measured by lineal distance or “as the crow flies.” The following is NOT an exclusive list:

a. Junk Yard, Public Dump, or Solid Waste Disposal;
b. Pig Farm or Chicken Farm;
c. Prison or Jail; and
d. Airport.

Scoring considerations will also include, among other things, site suitability regarding topography (grade, low-lying area, flood plain, or wetlands).

The Non-Compliance Percentage is calculated during the Review and Response Period and evidenced by issuance of IRS Form 8823, Report of Non-Compliance, and UPCS inspection standards. The Non-Compliance Percentage is the percentage of non-compliant units **over** total units reviewed. The Non-Compliance Percentage of all ADFA properties reviewed within a 3-year period of time will be averaged and given an average Non-Compliance Percentage. **Total Points Possible:**

**B. RANKING AND AWARD DETERMINATION**

Each Application will be ranked according to the score awarded. In the event that some Applications score the same, ADFA will employ a tie-breaker methodology to determine the final rankings. All final staff recommendations are subject to ADFA Board of Directors’ final decision.

In the event there is a tie in scoring for two or more Applications, a funding recommendation will be made for the Application based on one of the following criteria. The following are probable tie-breaker criteria ADFA would use, but not meant to be exclusive of others:

1. Funding recommendation will be based on maximum number of affordable rental units produced; or
2. Funding recommendation will be based on the Application which requested the least amount of housing credits per-unit; or
3. Funding recommendation will be based on the Application that has the least amount of aggregate participation by any one owner or development team member. Aggregate
participation is defined as the total of all Applications recommended for funding in the current round; or

4. Funding recommendation will be based on equitable geographic distribution of awarded Housing Credits.

ADFA may not approve any Application for an allocation of Housing Credits, regardless of the ranking under the priorities and point ranking outlined above. ADFA may, in its sole and absolute discretion, to suspend or bar any applicant from the Housing Credit Program, which ADFA determines has acted improperly or inappropriately in the applicant’s dealings with ADFA or in any way relative to the Housing Credit Program. ADFA may reject any Application from consideration for an award of federal or state housing tax credits if any member of the Development Team is determined by ADFA to be out of compliance in regard to any existing development financed with ADFA-awarded resources.

III. EQUAL OPPORTUNITY.

ADFA requires that occupancy of all housing financed or otherwise assisted by ADFA be open to all persons regardless of race, color, religion, sex, handicap, familial status, or national origin. Contractors and subcontractors engaged in the construction or rehabilitation of such housing must provide equal opportunity for employment without discrimination as to race, color, religion, sex, handicap, familial status, or national origin.

IV. ADFA FEES.

A. APPLICATION FEE.

The appropriate Application fee (determined from the list below) shall be included with the Application and be in the form of a check payable to the Arkansas Development Finance Authority. All fees are non-refundable. Overpayments will not be refunded.

</tbody>
</table>

A market study fee of $6,000.00 per development site is required for all applications.

B. RESERVATION FEE.

A non-refundable reservation fee of $150.00 per low-income unit will be required to secure the reservation of Housing Credits. Overpayments will not be refunded.
C. **ISSUANCE OF IRS FORM 8609 FEE.**

A fee equal to $150.00 per low-income unit will be required at the time the owner submits the final development cost certification requesting issuance of IRS Form 8609(s). *Overpayments will not be refunded.*

D. **MONITORING FEE.**

A monitoring fee equal to ten percent (10%) of the total annual Housing Credit allocation will be required at the time the owner submits the final development cost certification requesting issuance of IRS Forms 8609(s). *Overpayments will not be refunded.*

V. **FINANCING WITH TAX-EXEMPT BONDS AND HOUSING CREDITS.**

Developments financed with tax-exempt bonds must apply to receive Housing Credits not allocated as part of the State’s annual Housing Credit ceiling. *I.R.C. § 42(m)(1)(D)* of the Code requires such developments to satisfy the “requirements for allocation of a housing credit dollar amount under the qualified allocation plan applicable to the area in which the project is located.” Although these developments need not compete for an award through the competitive process, they will be evaluated for compliance with the Application Requirements.

In addition, each development financed with tax-exempt bonds shall be in compliance with the monitoring provisions of ADFA. Applicants shall comply with ADFA’s Guidelines for Reserving Volume Cap for Tax-Exempt Private Activity Bonds for Residential Rental Housing and ADFA’s Rules and Regulations Implementing the Law on the Allocation of the State Volume Cap for Private Activity Bonds Pursuant to Act 1004 of 2001 in effect at the time of the filing of the Application.

CERTIFICATION MUST BE TURNED IN WITH APPLICATION.

CERTIFICATION

By submitting this MFHA, I agree to:

1. Participate in, provide information for, and cooperate with ADFA in the creation and maintenance of a web-based housing registry of ADFA-assisted housing developments.

2. Consent to ADFA obtaining information regarding the applicant's, or any member of the applicant's development team or any other member, partner or shareholder of an entity development team member or having any interest, indirectly or directly, in a development team member, from the housing finance agencies in all states in which the applicant and development team members as defined herein have applied for credits, or otherwise participated in the development of a housing development.

I hereby certify that I have read and am aware of all terms, conditions, and requirements of the above-referenced instructions, and I am aware of all consequences should I fail to complete the MFHA Application as set forth in these instructions.
