

HOME Investment Partnerships Program

January 2019 Multi-Family/Rental NOFA

## **I. OVERVIEW**

The Arkansas Development Finance Authority (ADFA) hereby notifies interested Applicants of the availability of funds allocated from the HOME Investment Partnerships Program (HOME). The availability and use of these funds is subject to Federal HOME regulations (24 CFR Parts 91 and 92) and any amendments thereto, including the final regulations published by the Department of Housing and Urban Development (HUD) in the Federal Register on or about July 24, 2013, and is further subject to ADFA's policies and program requirements.

In releasing this Notice of Funding Availability (NOFA), ADFA's goal is to facilitate the new construction, acquisition and/or rehabilitation of multi-family complexes for low income renters. To meet this goal, ADFA will provide loans to Developers.

Funds will be awarded to successful Applicants who will act as Developer of ADFA HOME funded projects to administer the programs set out in this NOFA.

Interested parties may find the regulations governing the use of HOME funds under Title 24, Part 92, of the Code of Federal Regulations. Additional HOME information may also be found at the following link:

Applicant questions must be directed in writing no later than **January 15th, 2019** to [Robert.Hunt@adfa.arkansas.gov](mailto:Robert.Hunt@adfa.arkansas.gov) and [Deanne.Jennings@adfa.arkansas.gov](mailto:Deanne.Jennings@adfa.arkansas.gov). Questions and Answers to these NOFAs as well as other program updates will be posted to the website noted above regularly.

## **II. AMOUNT OF FUNDS AVAILABLE FOR AWARD**

ADFA anticipates that approximately three million dollars (\$3,000,000) will be available under this NOFA. ADFA reserves the right to fund, in whole or in part, any, all, or none of the applications submitted in response to this NOFA. ADFA may also reallocate funds from this NOFA to other projects if it determines that such a substitution is necessary to further its administration of programs.

## **III. MINIMUM AND MAXIMUM AMOUNTS OF HOME FUNDS PER DEVELOPMENT**

ADFA will not award more than \$450,000 per application submitted unless a waiver of this limit is requested in writing as part of the application. ADFA's award of funds will be subject to subsidy layering guidelines and underwriting criteria to ensure the project's success. Eligible Applicants may submit only one Application per property. The minimum award of HOME funds for this NOFA is \$100,000.

## **IV. ELIGIBLE APPLICANTS**

### **A. Developer Role**

Successful Applicants will act as Developers of ADFA HOME funds. Developers are defined in the revised HOME Final Rule of July 24, 2013, as follows:

Individuals, for-profit entities and nonprofits who participate in the HOME Program as owners, developers or sponsors of housing. When CHDOs use HOME funds as owners, developers or sponsors, this use of HOME funds counts toward the 15 percent CHDO set-aside.

Applicants approved for funding under this NOFA will administer the one activity which is outlined in Exhibit “A” of this NOFA.

Administrative responsibilities of the Developer will include, but are not limited to:

- Selecting third party developers to complete eligible activities.
- Conducting assessments of proposed developments and coordinating appropriate work to be completed.
- Evaluating the reasonableness of proposed project costs.
- Ensuring that the work is performed in accordance with all required property standards.
- Submitting required project documentation to ADFA.
- Performing federal compliance oversight.
- Monitoring Program timelines for commitment and expenditure of funds.
- Monitoring compliance with ADFA and HOME Program requirements for the period of affordability.

### **B. Eligible Entities**

The following entities will be considered eligible to act as a Developer under this NOFA:

- Local governments
- Qualified non-profit organizations
- Public Housing Authorities
- Community Housing Development Organizations (CHDO)
- For profit developers

All Applicants must meet the following requirements:

1. The Applicant must show the capacity to carry out the proposed development

by having either staff or entities under contract with relevant experience in successfully completing the administration of other developments of a similar nature and scope.

2. Applicants must not be out of material compliance or disqualified from any program administered by ADFA or under debarment, proposed debarment or suspension by a federal agency.

#### **C. Additional Qualification Requirements for Applicant Entities – Nonprofits**

In addition, an Applicant formed as a nonprofit must be determined by ADFA to be qualified to act as a Developer. The nonprofit must be able to demonstrate technical expertise of staff and other project partners in housing production and management and meet the following criteria:

1. A proven track record in affordable housing development and project management for a minimum period of three (3) years prior to the application submission date.
2. The healthy operating sustainability of the organization, including fiscal longevity.
3. The sound management and governance of the non-profit.

#### **D. Additional Eligibility Requirements for Applicants – Local Governments**

In addition to the requirements for all Applicants, Local Governments must also meet the following requirements:

1. Local governments that received a grant award under the Community HOME Investment Program (CHIP) in the 2009 or any prior grant year must have expended all project and administrative funds by December 1, 2013, in order to be qualified as an Applicant.

#### **V. FORMS OF HOME ASSISTANCE AND DEVELOPER AND PROJECT DELIVERY FEES**

Funds provided to all Developers will be in the form of a loan from ADFA. Program income generated must be returned to ADFA.

ADFA uses HOME funds to expand the supply of affordable rental housing for very low-income and low-income households. To ensure that HOME funds are used effectively and efficiently, and to meet the requirements of the HOME Program, Recipients of rental funds must meet the rules set forth in Home Program Operations manual. First, HOME has specific project requirements regarding eligible Recipients and activities, forms of assistance, eligible costs and property type and property standards. After the project is established, it must be leased up in accordance with HOME occupancy requirements. Over the course of its affordability

period, the project must be managed to maintain compliance with HOME rent and occupancy requirements. This means continued attention to eligible tenants; income verification and recertification, adjusting rents as tenant income increases and the requirements for proper leases. Recordkeeping responsibilities include the maintenance of records at the property and program level to document compliance with all program requirements. Additionally, to extend the impact and reach of these funds, ADFFA encourages the use of HOME funds with other resources (both public and private) available for the development of affordable rental housing. Developers of the affordable housing project may be local governments, public housing authorities, Community Housing Development Organizations (CHDOs) and other nonprofits, and for-profit entities. In particular, the eligible Recipient will be the entity responsible for project development, but may also include all affiliated entities, such as an owner that is also the property manager.

More details are provided in Section III of Exhibit A (Activity Summaries).

## **VI. APPLICATION REVIEW PROCESS**

All Applications will initially be reviewed by ADFFA to determine completeness. Applicants must respond to any ADFFA clarification request within three (3) business days from receipt. Failure to meet this deadline will cause the Application to be deemed incomplete and the Application will not be reviewed further.

Complete Applications will be screened to determine whether the Application meets the minimum NOFA eligibility requirements. ADFFA will evaluate and rank each complete and eligible Application according to the priorities identified herein. For any Applications ranked at the same level, the ADFFA Receipt Date will determine which Application has priority, with the earliest submission ranked the highest. The “ADFFA Receipt Date” is defined as the date and time a complete Application is received by ADFFA.
