SECTION 2 Part 2

MULTIFAMILY HOUSING FY2021

Affordable Multifamily Housing includes reported data from ADFA's Multifamily Housing Division / Low Income Housing Tax Credit Program and HOME Investment Partnerships Program. It also includes other Federal program housing commitments that includes: Finance Adjustment Factor (FAF), National Housing Trust Fund (NHTF), Arkansas Housing Trust Fund (AHTF), Preservation Revolving Loan Fund (PRLF) and Disaster Recovery - Affordable Housing Assistance Program (AHAP).

LOW INCOME HOUSING TAX CREDIT PROGRAM (LIHTC)

ADFA is the state agency charged with administering the federal low-income housing tax credits program. Generally speaking, there are two types of these credits against federal income-tax liability, which are awarded differently.

First, the State of Arkansas annually receives a specified amount of credits commonly known as "9% credits." Because demand for 9% credits regularly exceeds the annual supply, ADFA allocates these credits in a competitive process, which is open to applications for projects in all counties of the state. In the 2020-2021 fiscal year, ADFA received applications for 13 projects in 6 counties and allocated about \$10.9 million in annual 9% credits to help finance 9 projects in 5 counties, containing a total of 744 residential units. Please see below for more information on the individual projects that received allocations.

Second, credits commonly called "4% credits" may arise in connection with the issuance of tax-exempt private-activity municipal bonds to finance the costs of affordable multifamily housing. In the 2020-2021 fiscal year, ADFA issued multifamily housing bonds on 3 occasions (ADFA is not aware of the issuance of similar bonds during the fiscal year by any other Arkansas issuer). The ADFA bonds were issued in the total principal amount of \$39.998 million to help finance the costs of providing 376 residential units in 3 projects. It is expected that these financings will generate 4% credits in a total annual amount of about \$3.23 million. All 3 projects are located in Pulaski County, but ADFA welcomes applications for projects in all counties of the state. There is no direct annual limit on the award of 4% credits, although they arise only in connection with the issuance of bonds that use part of the state's annual private-activity bond volume cap allocation. ADFA also committed \$3.1 million in annual 9% credits to 2019 and 2020 9% LIHTC awarded projects due to the unprecedented price increases from the Covid-19 pandemic.

PUBLIC FINANCE

ADFA is a public body politic and corporate, created in 1985 as successor to the Arkansas Housing Development Agency created in 1977. ADFA's enabling legislation authorizes it to borrow money and issue bonds to provide sufficient funding for financing affordable housing, various business and economic development projects, and capital improvements for state agencies. ADFA is the exclusive issuer of bonds for state agencies.
